

CVC Spelling Fun
Freebie

By: Andrea Mason

Hello Friends! Thanks for downloading my CVC Spelling Fun Freebie!

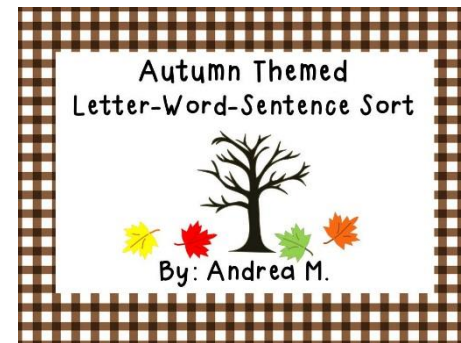

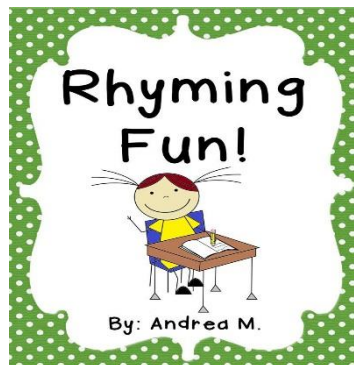

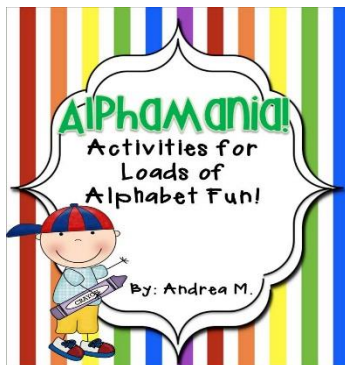

This makes a great center activity! Just print the picture cards onto cardstock and laminate for durability. Students will use letter tiles (or the included letter tiles) to spell the CVC words. They can record their words on the recording sheet by writing them next to the picture. There is a cut-and-glue sheet with the words and pictures. Color and black and white picture cards are included.

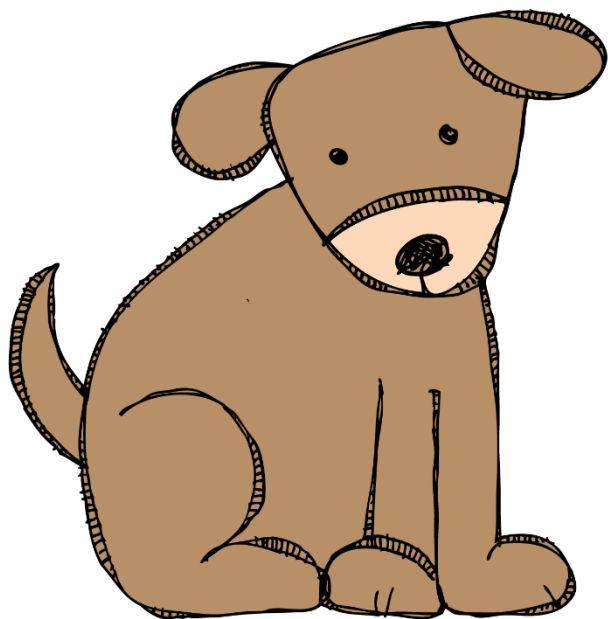

Words included are: pig, sun, dog, yak, rex, bus

Hope you have fun and please leave feedback! 😊
